iPhone CONTROL HEADPHONES

SIGNATURE SOUND

DELIVERING COMFORT, CONTROL AND HIGH FIDELITY

The TDK Life on Record In-Ear Headphones with iPod/iPhone Control elevate the personal listening experience, delivering the ultimate in comfort and control, superior craftsmanship and high fidelity.

The TDK EB950 headphones are sonically optimized with an innovative, sound isolating design ensuring a superior acoustic experience for any genre, at any volume. With high-performance drivers tuned by our Audio Research Lab, they deliver pristine vocals and rich bass. These in-ear headphones also have inline iPod/iPhone controls, allowing listeners to seamlessly transition from music to calls and back. With inline microphone and call controls, as well as track and volume control, shutter release when in camera mode and Siri prompt on the iPhone 4S, the EB950's keep every necessary action close at hand, the EB950s keep every necessary action close at hand. A unique, ergonomic design with multiple ear tip options help eliminate fatigue while the coated cable minimizes cable "rub" noise and annoying cable tangles. The sleek look and high quality finishes give music enthusiasts a visually stunning audio accessory, without compromising either sound quality or comfort.
